

## Sealmatic Participates In Defence & Technology Exhibition 2025

Sealmatic recently participated in the prestigious Defence & Technology Exhibition 2025, held with the support of the Ministry of Defence and the Tamil Nadu Industrial Development Corporation (TIDCO). The exhibition once again proved to be an excellent platform for showcasing the strength of India's engineering and innovation capabilities.

At the defence and technology exhibition, Sealmatic stand emerged as a focal point, attracting the attention of important visitors from across the defence, aerospace and industrial sectors. Our display of cutting-edge mechanical sealing solutions highlighted technological excellence and reflected our vision of contributing to India's Atmanirbhar Bharat mission.

The event brought together a distinguished gathering, including Defence PSUs, the Armed Forces, DRDO, ISRO, the Indian Navy, and leading public sector companies. It provided a dynamic forum for knowledge exchange, collaboration and exploring future opportunities in the fields of defence and technology.

With globally certified products, state-of-the-art manufacturing infrastructure, and an unwavering focus on research and development, Sealmatic continues to push the boundaries of engineering. Our advanced sealing solutions are designed to withstand the toughest operating conditions, ensuring safety, performance and sustainability in mission critical environments. Our presence at the Defence & Technology Expo 2025 reinforced its standing as a company aligned with India's defence growth trajectory and driving innovation and self-reliance.

With every step, Sealmatic continues to strengthen its role as a global player with Indian roots, ready to support the nation's defence and aerospace sectors while making a mark on international markets.
